*The well-liked band returns to the cozy confines of the Carousel Lounge for a retrospective of pleasing projects past, featuring old friends and a ton of tunes.*

**Austin, TX (December, 2025)** — Join Austin Brit-Pop trio The Late Joys for a retrospective of songs dusted off from [the band's various special projects](#) — covering its 20+ year history of unique live shows and deep musical catalog.

**“[A] great Austin band...making great tracks...”** — Austin Town Hall

Listen to songs from SRO shows: Return to Wigan Pier, 2019; ReRevolver:2020 (The Beatles), 2020; The Bootleggers, 2022; A Band Called Malice (The Jam), 2023; and This Year's Model (Elvis Costello and the Attractions), 2025.

Then stick around for a set of Late Joys faves from [the band's discography](#), zapped back to life for a night that promises, as The Austin Chronicle once put it, “...a ridiculous amount of fun.”

Frontman, guitarist and singer-songwriter [Robi Polgar](#) travels back ~~in time~~ to Texas from his new home in Connecticut to reunite with bassist Patrick Lopez and drummer Matt Patterson for this one-night-only shindig. Joining the band: special guests from previous Late Joys lineups, including Scot Hickman, Shane Lewis and Gordon Gunn (guitars, trumpet and bass, for those keeping score).
